GENERAL ORDER
NO. 10-06

DESC-R

- I. Authority: By direction of the Director, Defense Energy Support Center (DESC).
- II. Reference: DLA Enterprise Support (DES) memorandum dated March 13, 2006,
subject: Temporary Realignment of the Program Management Office
- III. Pursuant to the cited authority, the Defense Energy Support Center Sustainment/
Restoration and Modernization (S/RM) Program Management Office (PMO) is
established within the Facilities and Distribution Management Commodity Business Unit
(DESC-F) and designated as DESC-FS. The PMO will assume responsibility for S/RM
program management and funding effective October 1, 2006. The current Maintenance,
Repair and Environmental (MR&E) program will transition to the S/RM PMO from
May 1, 2006 – October 1, 2006.
- IV. In accordance with the reference, a subsequent general order will permanently place
the PMO in either DESC-F or DLA Enterprise Support DESC-W.
- V. This general order authorizes functions and personnel realignments or reassignments
accordingly.

REFER TO DES

MEMORANDUM FOR DLA ENTERPRISE SUPPORT (DES) AND DEFENSE
ENERGY SUPPORT CENTER (DESC) EMPLOYEES

SUBJECT: Temporary Realignment of the Program Management Office

Based on a Business Plan developed by DESC, DLA received authority to establish a new Program Management Office (PMO) initially aligned under DLA Enterprise Support. The PMO is chartered to provide DESC core program management over its multi-million dollar, fuels infrastructure, Sustainment Restoration and Modernization program. At this time, the PMO is in start up mode and is currently staffed primarily with temporary contractor support personnel. DESC developed positions descriptions for permanent government FTEs; policies and procedures are in the developmental stage. During this start up time, command and control of the PMO resources (7 FTEs) will be retained under the DESC Facilities and Distribution Management CBU (DESC-F). The purpose of this current alignment is to assist in the codification of policies and procedures and to determine if the best location for the office is under DESC-F.

Metrics are being established to determine baseline level of performance so a more informed decision can be made in September 2006. The undersigned agreed to meet again in September and determine best course of action based on the performance data available for the PMO. A joint decision on the final outcome will be made prior to October 1, 2006 unless DESC-F and DESC-W agree additional time is required to make an informed decision. Subsequently, a general order will be finalized permanently placing the PMO in either DESC-F or DES Energy (DESC-W).
